Sunny

4 November 2005

I usually wake up at 10 am on Sunday but I woke up very early this morning at 8 am. It was because I joined a school activity to visit a home for old people. I was very excited because it was my first time to go to the home for old people. We took the school bus at 9 am. Thirty minutes later, we arrived at Warm Home.

There were twenty old people in Warm Home. They were all very happy to see us. We first helped them clean the home. Then we played games and sang songs together. Finally we gave them some presents. We all had a great time□
